"WHAT'S UP" ..!

One year from now, you will be asked how high school has helped to prepare you for work, college/career program, and living.

You tell us!

*It's quick.
It's easy.
It's private.*

IT'S QUICK!

Just a 10 - 15 minute phone call from the University of Nebraska.

Speak out! Take the phone call when the Nebraska Bureau of Sociological Research contacts you in 1 year.

IT'S PRIVATE & CONFIDENTIAL!

Your name is **NOT** shared with anyone.

IT'S EASY!

Just answer **Yes** OR **No**
multiple choice about

- Your high school experiences
- What would have helped you more when you were in high school?
- Are you working?
- Going to school?
- What fun things you do?

IT'S IMPORTANT!

Your answers will ...

- ✓ Tell high schools how well they are preparing students for future education (college/ career schools), employment, and, adult living.
- ✓ Tell high schools what really made a difference for you and what was difficult.
- ✓ Help high schools improve for future students.

WE WANT TO HEAR FROM YOU!

In **August**, the University of Nebraska Bureau of Sociological Research will contact you to take a 10 minute survey about your high school experiences and what you have been doing since high school.

Your information will help to improve transition for students with disabilities in Nebraska.
