ARE YOU...

COLLEGE READY?

College is very different than high school. The shift in responsibility and services can catch you off guard. Hear from college experts on what you can do to prepare for:

- self-disclosing your disability
- having extended time for testing
- testing in a quiet location
- getting copies of notes
- requesting housing, mental health or other accommodations.

This 30 minute session will cover:

- ✓ College Accommodations Officers sharing helpful tips for successful habits
- ✓ Checklists and Tools to help keep it all straight
- ✓ Timelines and materials needed
