

## **SAVE THE DATE!**

# **Central Region Transition Summit Next Steps Now: Empowering Transition and Building Skills Beyond School**

Explore how work-based learning, purposeful school jobs, and strong transition planning can prepare students with disabilities for meaningful, integrated employment. This conference will highlight best practices in pre-employment skill building, job coaching, quality transition assessments, and applying functional literacy in real-world settings. Join us as we work together in preparing students and communities for competitive, integrated, employment.

**March 17, 2026**

**9:00 AM-3:00 PM CT**

**Educational Service Unit #10**

**Kearney, NE**
