

Planning for Impact: Using School Improvement to Strengthen Transition Outcomes

STATEWIDE VIRTUAL TRANSITION CONFERENCE

FEBRUARY 9, 2027

9:30 - 4:00 CST 8:30 - 3:00 MT

Planning for Impact: Using School Improvement to Strengthen Transition Outcomes will focus on meaningful practices and natural connections in your school improvement work, so students are truly prepared for life after graduation.

- **Building Shared Ownership:** Making transition a schoolwide priority
- **Instruction with Purpose:** Connecting daily teaching and student goals to post-school success
- **Data-Driven Transition:** Using data to guide decisions and strengthen supports
- **Continuous Improvement in Action:** Embedding transition into ongoing improvement cycles
- **Outcomes that Matter:** Preparing students for college, careers, and independent living
